Golf mentor – Strathfield/Homebush

- Would you like to share your love of golf?
- Help a young person with a mild disability to realise her dream
- Be part of an innovative team, and make a real difference in your community

Our client is a young woman with mild Downs Syndrome and real ambition! She loves golf, and would like to enter a special tournament in the coming months, but needs someone to help her fulfil that goal.

Could you spare a few hours a week to accompany her, and give her some general golfing tips?

You will join our care team which meets regularly to review the best outcomes for our clients. We regard our volunteers as a crucial part of our work, and seek their full engagement in the program. You will gain not only invaluable experience, but also the satisfaction of knowing you are making a real contribution to the life of our client.
