...support a child with a disability

Mina is an active eleven-year-old who lives in the Parramatta area. His family is devoted to helping him live a fun and fulfilling life, whilst dealing with autism.

Could you become part of Mina's life, and also give his family some much-needed time off occasionally? A few hours of fun spent with Mina once a fortnight or once a month, would make such a difference to everyone in his life.

The carers in our program are patient and caring, and love a challenge! Ideally they have some experience in dealing with children with disabilities, and are willing to undergo training.

If you would like the satisfaction making a big difference in the life of a child and his family, please find out more by calling Nahid on 8805 0912, or nkhalil@anglicare.org.au
