Gardener (but more than that!) - Greystanes

- Put a smile on some faces!
- Approx two hours a fortnight
- Enjoy the gardening **and** knowing you are giving a helping hand

Because of health issues, an elderly couple is no longer able to look after their garden as well as they would like. Could you help? You only need enthusiasm – no gardening qualifications!

You will gain the satisfaction of knowing that this couple will still be able to enjoy their property, and will also enjoy your company.

If you enjoy the company of older people, and like gardening, we would love to hear from you! Please call:
